**SOEP** Survey Papers  
Series A – Survey Instruments (Erhebungsinstrumente)

## SOEP-Core – 2023: Childhood (0-11-year-olds, with Reference to Variables)

SOEP Group

Running since 1984, the German Socio-Economic Panel (SOEP) is a wide-ranging representative longitudinal study of private households, located at the German Institute for Economic Research, DIW Berlin.

The aim of the SOEP Survey Papers Series is to thoroughly document the survey's data collection and data processing. The SOEP Survey Papers is comprised of the following series:

- Series A – Survey Instruments (Erhebungsinstrumente)
- Series B – Survey Reports (Methodenberichte)
- Series C – Data Documentation (Datendokumentationen)
- Series D – Variable Descriptions and Coding
- Series E – SOEPmonitors
- Series F – SOEP Newsletters
- Series G – General Issues and Teaching Materials

The SOEP Survey Papers are available at <http://www.diw.de/soepsurveyspapers>

Editors:

<b>B05 School</b>	<b>29</b>
<b>B06 Country of Origin</b>	<b>34</b>
<b>B07 Language</b>	<b>36</b>

## Reading Aid

This representation of the questionnaire contains the same informations as the portal paneldata.org.

The diagram shows a questionnaire entry with the following components and annotations:

- question number:** Q72
- question text:** Now we would like to know something about you personally. Were you born in Germany?
- interviewer instruction:** This refers to Germany or the Federal Republic of Germany or the German Democratic Republic in the national borders at the time of your birth.
- answer options:**
  - Yes (1)
  - No (2)
  - No answer (-1)
- in blue: identifier for filter:** Q72:lsta1
- in blue: filter with condition:** Q72:lsta1=2
- in green: dataset name, variable name, variable label:** bio I0013 born in Germany
- grey bar: open or numeric answer:** Q73:lsta2 bio I0016 Country Of Birth

Here, in addition to the *question number*, *question text*, *interviewer instructions*, and *answer options*, you find printed in green the *file name* and the *variable name* with the *variable label*, which contains information from the question. If you see rows of green lines below the answer option, the questionnaire defines several variables or informations are stored in more than one data set.

The *routing by filters* is depicted in blue.

Each variable is preceded by an identifier, which usually contains the question number and which is used when the variable is used in filters in subsequent questions. Such filters are usually placed as input filters (gatekeepers) at the beginning of a question. An identifier that is referred to in the input filter of a subsequent question is marked yellow as an example.

This reading aid does not cover a few exceptional cases: If the filter (as gatekeeper) only affects one of several variables for a question, the filter is printed in blue behind the variable. There you will also find a "go to" command in the form 2 @ Q73. Here, the questionnaire skips to question 73 if answer 2 was given.

Phrases that are not already translated in English are displayed in German and preceded by [de].

**PL0 Number of children in household from 2012 on**

1 child in household born 2012 or later	1
2 children in household born 2012 or later	2
3 children in household born 2012 or later	3
4 children in household born 2012 or later	4
5 children in household born 2012 or later	5
6 children in household born 2012 or later	6
7 children in household born 2012 or later	7
8 children in household born 2012 or later	8
9 children in household born 2012 or later	9
10 children in household born 2012 or later	10

PL0:prev\_anzki bnchild bnc\_PL0 Number of children in household as of 2011

**PL10 Survey year=2023****PL1 Child's year of birth:**

**B05 School**

PL1;prev\_jg=7:12

**31** In conclusion, we have a few questions about school.

PL1;prev\_jg=7:12

**32** What level of secondary schooling would you like for your child to complete? How closely do the following school-leaving certificates correspond to your ideal?

Please answer on a scale from 1 to 7, where 1 means “not at all” and 7 means “completely”.

	1 Not at all	2	3	4	5	6	7 Completely	Can't / don't want to answer
Lower secondary school-leaving certificate (Hauptschulabschluss)	1	2	3	4	5	6	7	-1
Intermediate secondary school-leaving certificate (Realschulabschluss, etc.)	1	2	3	4	5	6	7	-1
Upper secondary school-leaving certificate (Abitur)	1	2	3	4	5	6	7	-1
32:idegrad1 bnchild bnc_32_01	Ideal school certificate from a Hauptschule							
32:idegrad1 childl clg0021	Ideal school certificate from a Hauptschule							
32:idegrad2 bnchild bnc_32_02	Ideal school certificate from a Realschule							
32:idegrad2 childl clg0022	Ideal school certificate from a Realschule							
32:idegrad3 bnchild bnc_32_03	Ideal school certificate from a Gymnasium							
32:idegrad3 childl clg0023	Ideal school certificate from a Gymnasium							

PL1;prev\_jg=7:12

**33** How likely do you think it is that will actually complete secondary school with one of the following school-leaving certificates?

Please answer again on a scale from 1 to 7, where 1 means “extremely unlikely”, and 7 means “extremely likely”.

	Ex-tremely unlikely 1	2	3	4	5	6	Ex-tremely likely 7	Can't / don't want to answer
Lower secondary school-leaving certificate (Hauptschulabschluss)	1	2	3	4	5	6	7	-1
Intermediate secondary school-leaving certificate (Realschulabschluss, etc.)	1	2	3	4	5	6	7	-1
Upper secondary school-leaving certificate (Abitur)	1	2	3	4	5	6	7	-1
