SOEP-Core – 2023: Biography (PAPI, with Reference to Variables)

SOEP Group

Running since 1984, the German Socio-Economic Panel (SOEP) is a wide-ranging representative longitudinal study of private households, located at the German Institute for Economic Research, DIW Berlin.

The aim of the SOEP Survey Papers Series is to thoroughly document the survey's data collection and data processing. The SOEP Survey Papers is comprised of the following series:

Series A – Survey Instruments (Erhebungsinstrumente)
Series B – Survey Reports (Methodenberichte)
Series C – Data Documentation (Datendokumentationen)
Series D – Variable Descriptions and Coding
Series E – SOEPmonitors
Series F – SOEP Newsletters
Series G – General Issues and Teaching Materials

The SOEP Survey Papers are available at <http://www.diw.de/soepsurveyspapers>

Reading Aid

This representation of the questionnaire contains the same informations as the portal `paneldata.org`.

The diagram illustrates the structure of a questionnaire entry. It shows two questions, Q72 and Q73, with their respective text, instructions, and variable definitions. The labels on the left side of the diagram point to the corresponding parts of the questionnaire entry.

question number: Q72

question text: Now we would like to know something about you personally. Were you born in Germany?

interviewer instruction: This refers to Germany or the Federal Republic of Germany or the German Democratic Republic in the national borders at the time of your birth.

answer options: Yes (1), No (2), No answer (-1)

in blue: identifier for filter: Q72:lsta1

in blue: filter with condition: Q72:lsta1=2

grey bar: open or numeric answer: (represented by a grey bar)

in green: dataset name, variable name, variable label: bio I0013 born in Germany, Q73:lsta2 bio I0016 Country Of Birth

Here, in addition to the *question number*, *question text*, *interviewer instructions*, and *answer options*, you find printed in green the *file name* and the *variable name* with the *variable label*, which contains information from the question. If you see rows of green lines below the answer option, the questionnaire defines several variables or informations are stored in more than one data set.

The *routing by filters* is depicted in blue.

Each variable is preceded by an identifier, which usually contains the question number and which is used when the variable is used in filters in subsequent questions. Such filters are usually placed as input filters (gatekeepers) at the beginning of a question. An identifier that is referred to in the input filter of a subsequent question is marked yellow as an example.

This reading aid does not cover a few exceptional cases: If the filter (as gatekeeper) only affects one of several variables for a question, the filter is printed in blue behind the variable. There you will also find a "go to" command in the form 2 @ Q73. Here, the questionnaire skips to question 73 if answer 2 was given.

Phrases that are not already translated in English are displayed in German and preceded by [de].

Intro Dear participant,

This biographical questionnaire provides supplementary information to the individual questionnaire. We collect this information only once.

Your participation is entirely voluntary. The scientific validity of this survey depends, however, on the participation of every member of your household.

We therefore cordially request that you either – allow our staff member to interview you – or carefully fill out this questionnaire yourself.

This questionnaire is to be filled out by (may also be filled out by Interviewer):

Help1 How should the questionnaire be filled out?

Help2 Make an X in the box next to the answer option that you think comes the closest. If you make a mistake, clearly cross out the wrong answer and make an X in the correct box.

Example:

Yes	<input type="checkbox"/>	1
No	<input type="checkbox"/>	2

Help3 If you change your mind and decide that you want to select the answer that you just crossed out, you will need to clearly cross out the second mistake and then make a circle around the box you had crossed out first.

Example:

Yes 1
No 2

Help4 When filling out the questionnaire, please pay attention to the instructions for each question.

Example: Please select one answer only.

Help5 If there is a blank for you to write your answer in, please print your answer in the blank.

Example:

[Country]

Help6 Sometimes you are asked to give numerical answers. Please enter your answer by aligning numbers to the right in the spaces provided:

Example:

[Number]

Help7 If you should skip certain questions, there will be specific instructions:

Example:

Yes 1

Help8 Please pay attention:

– use only a black pen to fill out the questionnaire. – that the information is clearly legible. – and that the information is inside the boxes.

This makes our work much easier. Thank you very much!

266 The following questions deal with partnership and marriage or registered same-sex partnerships (eingetragene gleichgeschlechtliche Partnerschaft). All of these questions deal with your relationship, whether you are married or not. There are questions dealing with your current relationship and others dealing with past relationships. We will start with your current relationship and then ask you to look back on relationships you had before. In the case of past relationships, we are talking about relationships that lasted six months or longer. *Whenever referring to marriage, we are also referring to registered same-sex partnerships! Go through the columns in order from top to bottom starting with A from 1 to 6, then B from 1 to 6, and so on. If you have the option of skipping questions, this will be indicated with an arrow and the point you should skip to. For instance, B5 means skip to column B, question 5!*
